| Welcome

A letter from Richard Jones, Chair of the Board

Dear Applicant

Thank you for your interest in joining the Board of the Hertfordshire Music Hub, led by Hertfordshire Music Service (HMS).

For over 40 years HMS has successfully delivered musical opportunities to generations of young people throughout Hertfordshire. The service is now one of the largest in the country with many thousands of young people involved in our weekly musical activities, supported by hundreds of teachers.

In September 2024 HMS was confirmed as the Hub Lead Organisation (HLO) for Hertfordshire. HMS receives funding from the Department for Education through Arts Council England and, as Hub Lead Organisation, is charged with delivering the National Plan for Music Education in Hertfordshire. In addition to support from HMS, the HLO receives generous wider support from Hertfordshire County Council (HCC) to provide world class music tuition to the residents and families of Hertfordshire.

We are focused on building a musical future that guarantees our support for many more young people, providing musical opportunities across Hertfordshire in a manner that is relevant, sustainable and ensures their musical development will provide them with a lifelong appreciation of, and participation in musical activities.

The need for strong and supportive governance has never been more important. Working in close partnership with the HMS Chief Executive Officer, Leadership Team, and wider colleagues, we are now seeking new members to join our Board and oversee the activities of the Hub. We are looking for exceptional individuals who can bring experience and complimentary skills to the governance of the Hub.

Again, thank you for your interest in the Hertfordshire Music Hub Board and I look forward to receiving your application.

Kind regards

Richard Jones

About Hertfordshire Music Service

Hertfordshire Music Service (HMS) is the Hub Lead Organisation for the county of Hertfordshire. Hub Lead Organisations are responsible for supporting, delivering, and enabling access to high quality music education activity for children and young people within a local area under the auspices of the National Plan for Music Education.

In Hertfordshire this means that HMS as a Hub Lead Organisation will act as a gateway for local areas to create music education provision that works in a local context, both in and out of school. They help drive the quality of service locally, with scope for improved partnership working, better value for money, local innovation, and greater accountability.

Our 2023 - 2024 Annual Review is available on our website - hertsmusicservice.org.uk.

about HMS

Relationships of the Hub Board to Hertfordshire Music Service

The Hertfordshire Music Hub Board is concerned with the activity and development of the Hertfordshire Music Hub. It is not empowered in matters which Hertfordshire Music Service (HMS) is legally responsible for, such as statutory duties, the financial management of the Hub grant, the content of partnership agreements, procurement policy and employees' engagement (e.g., pay and conditions or performance review).

It is noted that the role of all members is to contribute to strategic discussions and decisions about the role of the Hertfordshire Music Hub and not to act as representatives for themselves or others.

While HMS is a distinct entity with its own governance arrangements, the Hertfordshire Music Hub Board may seek assurances about the financial sustainability of HMS in view of its role as Lead Organisation in the Hub.

Hertfordshire's Music Hub Board recognises that Hertfordshire Music Service, as a key provider of peripatetic staff supporting the music curriculum, must also ensure a cadre of well-trained staff with access to Continuous Professional Development (CPD).

| What are Music Hubs and Hub Lead Organisations?

A Music Hub is a partnership coordinated by a Hub Lead Organisation (HLO), that is responsible for supporting, delivering, and enabling high quality music education for children and young people within a local area.

The Hub programme funds a network of 43 Music Hubs which cover every area of England. The Arts Council England delivers the Hub programme on behalf of the Department for Education.

Hubs play a critical role in fulfilling the vision and goals as set out in the 2022 National Plan for Music Education (NPME) The power of music to change lives.

To achieve this, HLOs are awarded two ring-fenced grants:

- the **revenue grant**, which is core funding to co-ordinate and support the delivery of music education provision through a Hub partnership in line with the vision, aims and strategic functions for Hubs as set out in the NPME.
- the **capital grant**, which is funding to increase the volume, range, relevance and accessibility of musical instruments, equipment, and technology in the Hub area.

National Plan for Music Education |

The power of music to change lives - A National Plan for Music Education

The National Plan for Music Education sets out the government's vision to enable all children and young people in England to learn to sing, play an instrument and create music together, and have the opportunity to progress their musical interests and talents, including professionally.

The plan sets out how this vision will be achieved by 2030, emphasising the importance of partnerships between education settings, music hubs, music organisations working with young people and the music industry.

I Our vision

Hertfordshire Music Hub Board believes all children and young people should have the opportunity to enjoy, achieve and celebrate through music.

I Our purpose

Strong governance provided by support and challenge from a knowledgeable Board that represents the views of all stakeholders, particularly young people themselves.

| 2024 Local Plan for Music Education

The Hertfordshire Music Hub Board scrutinises, challenges, and supports the Hertfordshire Local Plan for Music Education and advocates at local, regional, and national level for the benefits of a strong musical offer in our schools and in the wider community.
